

## Baby "Hoody" Quilt A Pearl Louise Design

### Materials Needed:

- 1 Yard or 40" Square of Two Fabric Prints
- 1 Yard or 40" Square Warm & Safe Batting from the Warm Company
- Basic Sewing Supplies

### Instructions:

1. Cut all fabrics and batting the same size. (36" or 40" Square)
2. Layer the two fabrics right sides together on top of the Warm & Natural Batting.
3. Sew all layers together around the outer edge stitching a 1/2" seam. Leave a 4" Opening close to one corner.
4. Turn the quilt right side out through the opening.
5. Fold the raw edges of fabric and batting into the opening and hand stitch or machine stitch the opening shut.
6. Quilt the quilt as desired.
7. Fold the quilt diagonally.
8. Measure 8" back from one pointed end and place a pin at this area or mark with a pencil. Sew a seam from the outer edge to the folded edge ending at the 8" measured mark.
9. Cut off the excess fabrics leaving a 1 1/2" excess. Trim one side of the seam leaving a 1/4" excess.
10. Fold the larger side of the seam over the 1/4" side and hand stitch the folded edge in place covering the seam.
11. This "Hood" Quilt is both fun and functional. It is also reversible. Enjoy!!

Measure 8" from folded point. Sew a seam from the outer edges to the Measured point. Complete by following Steps 9 and 10.
